1. First page

Advisors have to firstly to the GRAD MIS at <http://mfugradmis.mfu.ac.th> or enter from Office of the Postgraduate Studies' website at <http://postgrads.mfu.ac.th>

The first page appeared is the Academic calendar.

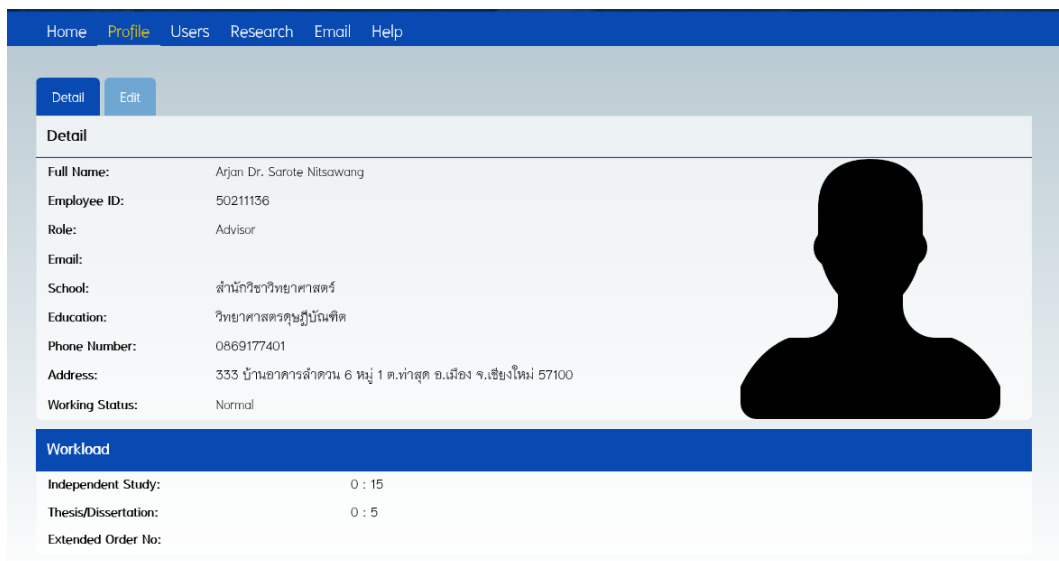

The screenshot shows the website interface for the Office of the Postgraduate Studies at Mae Fah Luang University. The header includes the university logo, name, and navigation links for 'Postgraduate Studies Office', 'Help', 'ENGLISH', and 'THAI'. Below the header is a login section with fields for 'Username' and 'Password', and buttons for 'Login' and 'Forgot Password'. The main content area features an 'ANNOUNCEMENT' section with instructions for login and a 'News' section. A red callout box points to the 'Academic Calendar' link in the news section.

2. Enter the GRAD MIS system

If you have already registered, go to the menu and enter your user name and password.

This is a close-up view of the login form. It shows two input fields: 'Username' and 'Password'. Both fields are circled in red. To the right of the input fields are two buttons: 'Login' and 'Forgot Password'. The background of the form is dark blue with a subtle pattern.

The profile will appear.

Detail	
Full Name:	Arjan Dr. Sarote Nitsawang

3. Change of Student's Research Topic

If you want to make a change of your student's research topic, select "Research Studies", the page will appear the lists of your students' research. Select the research topic that you want to make a change, now the page will lead to the next page that you can change the topics (both Thai and English). If you want to confirm the new topic, press "save" on the bottom right. This topic can be changed only before the Proposal exam, after that the system will not allow of this change.

You can change the exam request details that students fill in the system as follow:

- Change of exam date. Press "exam date", the calendar will pop out so you can manage the date.
- Change of exam time. Press "exam time", the clock will pop out so you can manage the time.
- Exam Place. Press "exam place", then type in the new place.
- To change details of exam committee that have filled in by your advisee.

Go to menu "Research Studies", then select the research topic that you want to make a change.

Then select menu "Change", the exam details will appear on the next page. You can do followings;

- Addition of examiner

Firstly type in name that you want to add, then select "add" on the bottom right. The new examiner will appear in the blue frame. Press "Save" to record the change.

- Removal of examiner

To remove any examiner in the proposed list, just click "delete" at the end of the selected name.

Press "Save" to record the change.
